Safety

In the interests of your own safety, CTT and the event promoters strongly advise you to wear a hard-shell helmet that meets an internationally accepted safety standard. In accordance with regulation 15 all junior riders must wear hard-shell helmets.

It is recommended that a working rear light (either flashing or constant) is fitted to the machine in a position visible to other road users and is active while the machine is in use.

Any riders seen riding dangerously will be reported to the Event Secretary and thence the District Secretary for further action.

Keep your heads up and have a safe ride! Please do not congregate at the junction of the lane leading to Lidlington!
